## MEXICAN VIEW ALBUMS.

**T**HREE kinds, each containing 12 Views—size  $3\frac{1}{2} \times 5\frac{1}{2}$  inches—handsomely bound and printed on highly enameled paper, giving extreme brilliancy to the high lights and great depths to the shadows, equalling in appearance the most expensive photographic prints with the advantage that they are

ABSOLUTELY FADELESS AND LASTING.

Surpassing in artistic beauty, and real excellence and intrinsic worth all publications of a similar nature heretofore attempted in any portion of the world, as we claim to be

ON TOP IN THIS PARTICULAR MATTER,

and we do not strive to get up these Albums in a cheap manner, but on the contrary, we want to give our patrons

ALL WE CAN FOR THEIR MONEY,

and sell these Albums at an exceedingly close margin of profit, but our sales of more than 100,000 copies of each Album will net us a fair return and in the course of a few years, as our books find their way into thousands of

AMERICAN, MEXICAN, CANADIAN AND EUROPEAN HOMES, they will be considered as proof positive of the great Art Progress of the Nineteenth Century.

\$1.00 EACH ALBUM THE SAME PRICE. \$1.00.

AGENTS WANTED EVERYWHERE.
