Collection Summary

Title: [McConnell's Economic Survey Collection]

Span Dates: 1920-1970

Call No.: G4364.L8 coll .M3

Creator: McConnell's Economic Surveys (Los Angeles, Calif.)

Extent: chiefly maps, manuscript maps ; 164 folders

Language: Collection material in English

Repository: Geography & Map Division, Library of Congress, Washington, D.C.

Abstract: The [McConnell's Economic Survey Collection] is a set of manuscript maps and plans that primarily concerns economic development projects in the City of Los Angeles and southern California from 1920s to 1970s. The surveys were conducted by Cormac McConnell on behalf of various businesses and other entities in order to anticipate construction costs and the likely profitability of business situated in a said geographic space.

Selected Search Terms

The following terms have been used to index the description of this collection in the Library's online catalog. They are grouped by name of person or organization, by subject or location, and by occupation and listed alphabetically therein.

Organizations

McConnell's Economic Surveys (Los Angeles, Calif.)

Subjects

Central business districts--California--Los Angeles--Maps.

Real property--California--Los Angeles--Maps

Places

Los Angeles Metropolitan Area (Calif.)--Maps.

Form/Genre

Maps.

Administrative Information

Provenance

The collection was purchased in 2010.

Processing History

The collection was arranged and described by Junior Fellows in 2010; additional description and arrangement in 2014 by Ryan Moore.

Copyright Status

The status of copyright of the collection is governed by the Copyright Law of the United States (Title 17, U.S.C.).

Access and Restrictions

The collection is open to research. Researchers are advised to contact the Geography and Map Reading Room prior to visiting. Many collections are stored off-site and advance notice is needed to retrieve these items for research use.

Preferred Citation

Researchers wishing to cite this collection should include the following information: Container number, [McConnell's Economic Survey Collection], Geography and Map Division, Library of Congress, Washington, D.C.

Biographical Note

<i>Date</i>	<i>Event</i>
1894-1925	Born, the son of Joseph McConnell of Holyhead, North Wales. Educated in Europe and finished his engineering degree at the University of Washington.
1925	Married Eleanor Griffin. Resided on North Crescent Heights Boulevard in Los Angeles, CA. Worked as a private mapmaker who specialized in economic surveys. Established McConnell's Economic Surveys.
1935	Death of wife, Eleanor.
1950	Conducted survey for a South Los Angeles shopping center to serve the Watts neighborhood. The project cost was \$1.5 million.
1979	Died in Orange County, CA.

Scope and Content Note

[McConnell's Economic Survey Collection] spans the years 1929-1970. It consists primarily of maps and economic surveys of Los Angeles and southern California.

Arrangement of the Collection

There are 15 series organized by geographic location. The folders are numbered in accordance with a list created by the previous owner. Some projects are absent from the collection (as they were sold individually by the previous owner) but are indicated in McConnell's project list, which can be found in Series XV.
