Collection Summary

Title: Harry T. Friedman Collection of Spanish American Documents

Span Dates: circa 1500-1912

ID No.: MSS54247

Collector: Friedman, Harry T.

Extent: 750 items ; 3 containers ; 1.2 linear feet ; 1 microfilm reel

Language: Collection material in Spanish with unidentified Indian languages

Location: Manuscript Division, Library of Congress, Washington, D.C.

Summary: Collector. Correspondence, reports, certificates, printed material, and other documents relating to such topics as the Joliet-Marquette expedition (1673), navigation and trade from the Philippines to Mexico (1749), land transactions in Tulancingo and Huejotzingo, Mexico, and persons associated with the cause of Mexican independence; inventories (1778-1785) of Mexican missions at Mátape, Alamos, and Macori; and information on Indian groups and the branding of military livestock. Includes correspondence addressed to Manuel Madrid concerning nineteenth-century economic affairs, correspondence of José Yves Limantour, and microfilm of census counts in Mexico City, 1610-1784.

Occupations

Collectors.

Administrative Information

Provenance

The collection of Harry T. Friedman, collector, of Spanish American documents was given to the Library of Congress by Friedman between 1967-1978.

Processing History

The Friedman Collection was processed in 1983. The finding aid was revised in 2012.

Copyright Status

It is the researcher's responsibility to determine requirements of domestic copyright laws and international treaties and conventions.

Access and Restrictions

The Friedman Collection is open to research. Researchers are advised to contact the Manuscript Reading Room prior to visiting. Many collections are stored off-site and advance notice is needed to retrieve these items for research use.

Microfilm

Microfilm on one reel was received as part of the collection and is listed and described in this finding aid. Consult reference staff in the Manuscript Division concerning availability for purchase or interlibrary loan. This microfilm is not available for interlibrary loan.

Preferred Citation

Researchers wishing to cite this collection should include the following information: Container or reel number, Harry T. Friedman Collection of Spanish American Documents, Manuscript Division, Library of Congress, Washington, D.C.

Scope and Content Note

The Harry T. Friedman Collection of Spanish American Documents spans the years circa 1500-1912. The collection is in part photocopies, facsimiles, and microfilm of original material. It consists of correspondence, reports, certificates, printed matter, and other documents relating to such topics as the Joliet-Marquette expedition (1673), navigation and trade from the Philippines to Mexico (1749), land transactions in Tulancingo and Huejotzingo, Mexico, and persons associated with the cause of Mexican independence. Other topics include inventories (1778-1785) of Mexican missions at Mátape, Alamos, and Macori, and information on Indian groups and the branding of military livestock. Also included is correspondence addressed to Manuel Madrid concerning nineteenth-century economic affairs, correspondence of José Yves Limantour, and microfilm reproduced from originals in private hands of census counts in Mexico City, 1610-1784.

The material is in Spanish and unidentified Indian languages.

Arrangement of the Papers

This collection is arranged by type of material.
