Scope and Content Note

The papers of Ben Barr Lindsey (1869-1943) span the years 1838-1957, with most of the material originating between 1890 and 1943. The bulk of the collection is comprised of correspondence, family letters and case files. Other papers include manuscripts of Lindsey's articles, books, speeches, and plays; drafts of broadcast scripts and statements; notebooks, daybooks, journals, yearbooks, and appointment books; and stenographic notes. In addition, there are financial, legal and legislation files; official and personal files; memorabilia; scrapbooks; photographs; newspaper clippings; broadsides; and related material. Considerable material relates to child welfare, child labor laws, penal reform, women's suffrage, birth control, marriage and divorce, sex education and hygiene, and the Women's Protective League. The collection also treats Lindsey's disbarment in Colorado, the Colorado coal miners' strike of 1913-1914, and the investigations of the Whittier State School of California in 1940-1942.
