PAIGE

Consider These Facts

Since the announcement of the Paige "25" and "36" the Paige factory and Paige dealers, everywhere, have been flooded with orders and enquiries. An avalanche of successful and discriminating dealers have practically been compelled to seek Paige territory. They, like the motor buying public, recognize and have endorsed the Paige as the greatest automobile value in the entire industry. Consider what this means to you and to every prospective automobile buyer.

You can now purchase a car that you know has had the endorsement of both the buying public and the successful and discriminating motor car dealer.

You can now purchase a car that is acknowledged "the greatest automobile value in the entire industry."

You can now purchase a car and feel secure in the knowledge that you have bought more value for your money than was ever thought possible to put into a car and sell at the Paige price.

You can now purchase a car that has proven correct in design, in workmanship and in the quality of materials employed in its manufacture.

You can now purchase a car that has proven, in the hands of thousands and thousands of owners, equal to all and any conditions that you are ever likely to encounter.

You and every prospective motor car buyer have never before had this great and compelling advantage.

We urge you to call on the Paige dealer in your locality and see the new Paige.

We feel confident that you, like the others who have seen the new Paige, will at once recognize the many and extraordinary values the Paige offers.

George Bernard & Co
 The Authoritative Fashions
 For Autumn
 Will Be on View Here
 Beginning Sept. 8, 1914

In view of the disturbed conditions in Paris and the great curtailment of importations by other Metropolitan houses, this exhibit of the Authentic Models for Autumn may justly be considered an achievement for this house, though it is but the natural result of an alert policy of fashion leadership backed by an organization that gets results. Your inspection is respectfully solicited.
