Four Pieces—Dresser, Chiffonier, Toilet Table, Full Size Bed, \$254.00 With Twin Beds, as illustrated, \$320.00.

### Bed-Room Week at Hathaway's

In the variety of Bed-Room Suites and separate pieces which we are able to offer this week at sharply reduced prices, we count ourselves extremely fortunate. Those of our patrons who avail themselves of the opportunity will be equally so. The selection includes a profusion of enamel suites in delicate tones. The favorite ivory tint is most in evidence. There is a great deal of rich mahogany and some of the handsome American walnut.

Pieces may be selected separately in many instances, and in other cases an especially low price has been placed upon the entire suite. A few examples will give an idea of the variety and the scale of prices:

- Ivory Enamel Suite of Four Pieces, \$128.00
- Hand Decorated Enamel Suite, Eight Pieces, \$350.00
- Ivory Enamel Suite of Four Pieces, \$181.00
- Dresser in Ivory Enamel, \$45.00
- Chippendale Mahogany Suite of Seven Pieces, \$379.00
- Hoppelwhite Suite of Four Pieces, in Mahogany, \$110.00
- Mahogany Chest of Drawers, 48 inches wide by 48 high by 24 deep, \$33.00
- William and Mary Suite of Six Pieces in American Walnut, \$245.00

### How Fast Does Your Ice Melt?

This question, not the first cost, determines the real expense of your refrigerator.

There are two definite reasons to account for the fact that the

BOHN SYPHON REFRIGERATOR holds less consumption to the minimum. The Syphon System of rapidly circulating pure, cold, dry air, and an insulation that provides the highest standard heat resistance ever attained, combine to hold the temperature in a Bohn Refrigerator at 40°. Ice melts very slowly at this low temperature. The walls of this Refrigerator have, in addition to the outer and inner cases and Porcelain Enamel lining, 7 heat-resisting layers, including two of Fluclium, the exclusive Bohn insulating material, the most effective lining ever put into a refrigerator. The Bohn Syphon is installed in practically every dining and refrigerator car in use today. The car builders know. Call and see our large line, in both wood and white porcelain casings. Some of the best styles, including the one illustrated above, are now marked at attractive prices. We can sell you a Bohn for \$16 up, lined with genuine white porcelain, not painted. If you cannot call, write for our handsome catalog. We are the mfrs., not middlemen. WHITE ENAMEL REFRIGERATOR CO., of New York, 53 West 42d Street.
