Swift's Four Cut-out Calendar Dolls

Send to-day for your set

These big darlings, each with four beautiful costumes—all sixteen richly colored—are more than 18 inches tall, big as live new babies, can stand alone! Each doll is worth 25c. You will say you never saw such unusual calendars, even in the famous Swift "Premium" series.

How your children will love them! How their little hearts will thrill with joy, when they dress and undress these big beauties!

You too must be stony-hearted if you will not find yourself smiling every day of 1917 as you look at these winsome little faces, and enjoying each season's change to a gay new costume.

Their Characters and Costumes

Who could resist Dashing Donald, the handsome boy doll, in any of his three gay sporting suits or his surprise costume?

Coy Clarabel, with her bashful brown eyes, red lips and curly black hair would melt the heart of an iceberg. Nothing could be more fetching than her red, blue and green costumes.

Everyone loves Sweet Sylvia for her dewy violet eyes, and hair as golden as her nature. How pretty she looks in her white, rose, blue and red costumes!

As for Merry Myrtle, her brown hair and twinkling blue eyes are irresistible. In a pretty blue or pink or tan or scarlet costume she is sweet.

Send for these calendars—daily they will remind you of the rare quality of

Swift's "Premium" Hams and Bacon
