

### Columbia Grafonola Elizabethan Design

There is no denying the dull brown glory of beautiful Tudor pieces such as this.

What an immense stride from Gothic is revealed, a revelation of artistic leisure to decorate, an agreeable confession of almost Latin susceptibility. The Renaissance, of course, had reached England.

Accommodation for 120 records.

### The Nestlé Permanent Hair Wave

Nestlé Waved

Do you like just a slight suspicion of a permanent wave in your hair, just taking the straightness away, or do you prefer a more showy wave of the "Marcel" type, or a light small wave such as may be produced by your own hair-curiers? Whatever it may be, you will get it at "Nestlé's," the original and most successful permanent wavers in the world. Two hours, comfortably spent, will give you the desired results. Ask to see Mr. Nestlé for his advice.

**D**ON'T let your house look bare and uninviting on the theory that you must wait till you can afford to redecorate. We have big, bulky stoves that will not only add charm and alluring beauty to the interior of your home, but form masses of foliage high enough to give privacy—and screen whatever needs to be screened. In the Hemetopical residence shown here, for example, tall shrubs are used to separate the porch from the entrance and street. The screen entrance may be executed in similar manner. Your trees and shrubs can be used—Datura, Syringa, Dogwood, Weigela, etc. A careful selection of House Shrubs will give beautiful effects through the entire year, either with flowers, brilliant berries, or by healthy, vigorous foliage. Call or phone tomorrow, or write today, for full details, with pictures and prices.
