**POCONO HILLS MODEL**

WOULDN'T it delight your family to have this rustic five-  
room bungalow set up in the place of your Winter fireside  
reveries—down near the foaming breakers at the seashore, or on a  
bluff overlooking a placid lake, or perhaps in the shade of the woods?

This Bossert Bungalow—one of the famous line of

**Bossert Houses**

is a better job of building than could be done by hand labor, and the cost is  
much less. It is built complete at the Bossert Plant and shipped in sections.  
Any two persons can, without experience, put it up quickly and easily. Single  
walled, no interior finish. Exterior artistically stained brown with creosote,  
a better preservative than paint. For seashore, paint might be preferred and  
same price would apply with priming coat. Shutters stained green and are made  
solid for Winter closing. Absolute satisfaction guaranteed.

Price of Bossert "Pocono Hills" Bungalow—\$575  
f.o.b. Brooklyn. Send check or money order for  
\$143.75. Pay balance of \$431.25 when notified  
Bungalow is ready for shipment. Send 10c for cat-  
alog showing the complete line of Bossert Houses.

**One Corset in Particular**

ALL corsets purport to give a stylish figure; many  
of them will. But one corset in particular, the  
Mme Lyra, has won special favor with fashionable  
women in New York.

Those especially who are familiar with the best of  
Parisian modes, recognize in Mme Lyra Corsets that  
wonderful grace of line and modeling for which the  
French designers are so justly famed. It is the com-  
bination of chic Parisian style and American expert-  
ness of making that results in such perfect corsets as  
the Mme Lyra models for Spring.

Put your expectations high—then  
ask for a Mme Lyra. You'll find  
the ideal model for your figure.

**FRAGRANT INCENSE**

By simply placing a small  
quantity of incense in the burner  
and applying a match, it will  
immediately smolder and dif-  
fuse a dreamy fragrance most  
pleasing to the senses. When burned in reception hall, its perfume will  
pervade the upper rooms, purifying the air by absorbing and dispensing  
all odors. It is used extensively in the boudoir, where its soothing per-  
fume is said to induce restful sleep, and, when burned near clothes  
closet or press, will impart a most pleasing perfume to all clothing con-  
tained therein.

On sale in our Perfumery Dept., or send \$1. (money order, check  
or registered currency), and by return mail we will forward, pre-  
paid, the set illustrated, which includes burner, package of our  
famous incense and complete instructions for using. Specify T 1002.
